Follow up CoC Discussion (**Tabled**)

- How can the taskforce promote increasing quality and level of care?
- How can TF proof treatments responsibility to promote the vision of an effective and robust continuum of care?
 - o Quick update from Lindy- PH Networks now contains these positions (with exception for a few that are waiting on financials). Document on how to make the case to coordinate care when talking with specific provider types has been developed- just went out yesterday to each contract manager in the Regional Public Health Networks.
